Ingredients:
¼ cup popcorn
75g butter
1 teaspoons brown sugar

Place ¼ cup of measured popcorn kernels into the popper.

Use a large bowl to catch the popcorn. Plug in and turn on the popper. Remember the popper will get hot!

Turn off the popper when kernels have finished popping. Throw out any unpopped kernels when popper has cooled down.

Dice the dried apple and apricot into small pieces, kitchen scissors could be used.

Melt the butter in a small saucepan over low heat. When melted, remove from stove and add the sugar. Stir well with a wooden spoon until sugar is dissolved.

Add the apple and apricot to the bowl of popcorn then pour over the butter mixture and toss well to combine. Serve in individual patty pan cases.
